Company Profile

J.K.Steel Furniture & Fabricators established in the year 1984, is one of the leading manufacturers and suppliers of wide range of quality furniture in Steel as well as in wood such as storage system, filing system, sitting system for various segments of commercial places like the office, library, school, computer centers, educational centers, gyms, canteens etc with its best quality and comfort along with its latest design. We always tend to create and deliver products that meet our customer specifications and exceed their expectations. We have the passion, desire and ambition to make sure we deliver one of the best customer services in today's market.

Right from the raw material procurement to the final delivery of finished products, a team of experts supervises the whole process and confirms that our clients get flawless quality products. The repeat business contracts speak about the quality of our products, price competitiveness and customer focused after sales service. So if you're looking for high quality, cost-effective office furniture **J.K.Steel Furniture & Fabricators** is the right choice you make.

Looking ahead we are confident in our ability to exploit new market products. It will be our constant effort to provide better customer services which is the strength to our success.
